

Given the success of the June event, The Command Post has been undergoing major renovations in preparation for the future. We're looking forward to unveiling our creation on the 25<sup>th</sup> of July 2009. To mark the occasion, we're making the Co-Op Discount (where you bring a friend and you both receive a discount of \$5.00) an ongoing feature, and we're reducing the price of drinks to \$1.00.

Saturday the 25<sup>th</sup> of July 2009 marks the 4<sup>th</sup> monthly TCP event, and it's set to be bigger and better than ever! We're introducing another game to the mix: Flatout 2, as well as the ongoing excitement of the games below. Practice hard and rest well; it's going to be one hell of an event :)

## The Games

### Flatout 2

Get behind the wheel of anything from a rusted heap of junk to the bat mobile, and everything in between. Ever wanted to see what happens when a bus takes on a semi-trailer? Find out! With many game modes included, gamers can race it out, or just smash their opponents to pieces in this adrenaline pumping, fun filled driving simulation. Unleash the madness!

### Battlestations: Pacific

If you like to fly an aircraft or cruise the ocean in a destroyer, this game is for you. Join either the United States or Imperial Japanese Navy in one hell of a game. You choose what you control; fighter planes, bombers, submarines, carriers, cruisers, battleships, you name it. Fight battles via land, sea and air. Do your part, lead your forces to victory and dominate the pacific!

### Left 4 Dead

Humans Vs Zombies, who will win? You decide! Take on the role of either the hunter or the hunted in this fast paced nail biting thriller. The humans have to make it from one location to another, all the while under heavy attack from wild frenzied zombies. Those players not on the human team are part of the attacking zombie force. Hectic non-stop action!

### Demigod

There are two teams and two bases. Players control a hero of their choosing and their base spawns AI controlled troops to attack the enemy in waves. The troops alone cannot win the battle, and it comes down to the heroes to turn the tide. Players level up over time, gaining new skills, and earn money to buy items and increase their abilities. Crush your foes!

### Call of Duty 4

Squad based infantry action at its best. Select your weapons and finalise your tactics before going head to head against the opposing force. You may be tasked with destroying an objective with explosives; or you may be the team assigned to defend the sites from potential attack. Either way, expect a bloodbath.

## TCP EVENT NEWS

### The Future!

As player numbers increase, we will continue to come to the table with bigger, better and more frequent events. Hardcore gaming systems are being introduced over the coming months to compliment our upgraded facilities.

### July, August & September 2009

Events continue on the last Saturday of each calendar month. Starting at 11am and finishing at 11pm, gamers are treated to 12 hours of gaming action for \$30.00. Bring a friend and you both enter for \$25.00 each. Haul along your gaming rig (computer), or loan a PC for the day. TCP provide a BBQ lunch, and dinner is supplied by Domino's pizza, Batemans Bay.

### October, November & December 2009

Beginning in October, fortnightly events are being introduced. From 5pm to 11pm, at a cost of \$20.00, the battle rages on. Your scores are recorded over the quarter, and combined into a TCP league. At the end of the quarter, the top ten players are awarded prizes.

### January, February & March 2010

As the new decade dawns, TCP will begin its weekly operations. Keeping the same 5pm to 11pm @ \$20.00 format, gamers continue the quarterly TCP league with a much larger prize pool, and an event every Saturday night.

### Full Time Gaming Centre

Later in 2010, TCP plans on opening its doors to the public seven days a week. Further renovations are planned for new access, allowing unprecedented gaming to begin!

Got a game suggestion? Let us know! If it's feasible, we'll include it in the next event. Be sure to **register now** at The Command Post website: [www.thecommandpost.com.au](http://www.thecommandpost.com.au)

Expect more games on the day. As always, we look forward to seeing you there!
