

TCP NEWSLETTER - ISSUE #05

UPCOMING EVENTS

We have now completed the installation of seventeen new gaming computers, a high end dedicated server, new chairs, and a revamped entrance.

High speed internet access is also included, with full access to our Steam games subscription. You can expect a rollout of new event games including Counter-Strike: Source, Team Fortress 2, and many more.

Our beta test of the new facilities on the 31st of October was a complete success. Thank you to all who attended, your prizes will be awarded at our opening on **Friday the 13th** of November 2009. [Book online now to reserve your seat!](#)

In other news, the legal age to play Paintball has been reduced from sixteen, down to twelve years old! Details can be found on the Action Paintball website here: [Click Here](#)
